We give 3% of our undesignated budget toward state and national Southern Baptist Convention causes. The same percentage goes to support local mission work through St. Louis Metro Baptist Association.

In Addition, we take up special offerings to help with other mission causes. These include purchasing Bibles, supporting poor Christians in Belarus (former Soviet Union) and a traveling Christian drama team, Clear Vision. We have also sent funds to help build a church in Serbia and help with tsunami and hurricane relief in Florida and the gulf coast. When the need arises we have given the use of our building to visiting mission teams for meals, fellowship, and Bible Study.

Canned goods and non-perishables are collected to minister through Feed My People.

At Christmas and Easter we have special offerings to help with Southern Baptist mission causes around the world. At Christmas we also participate in Operation Christmas Child with Franklin Graham, Angel Tree with Prison Fellowship ministries (for prisoner families), and the Adopt-A-Family program of Feed My People.
